## Message from the Chairman

My heartiest congratulations to the entire team for bringing out this much awaited, first ever, biennial digital edition of the College report.

Dear students, it gives me immense pleasure to see your achievements in academics, cultural activities, sports, NSS, NCC and what not. We are committed to provide you with the best learning experience during your stay in this famed institute. It has always been our endeavor to keep updating the existing facilities because it's imperative to keep pace with the changing times.

I would advise you to have faith in yourself and set high personal and academic standards. Dare to dream and work hard to achieve it because, "If you want to shine like a Sun, first burn like a Sun"- APJ Abdul Kalam.

Lots of blessings and good wishes.

# Message from the Administrator

I feel gratified to learn that Hindu Girls College, Sonapat is bringing out its biennial e-report which primarily showcases the achievements of the students in academics, sports and other extracurricular activities under the guidance of sapient faculty members.

As we scan through the pages of the report, it will enlighten us about the significant milestones that the College has achieved in the previous two years. It brings immense pleasure that the students have grabbed merits in university examinations, won medals in different sports, and shown their triumphs in Youth Festival, NCC and NSS. Besides, the teaching faculty members have marked their scholarly accomplishments in various national and international conferences, seminars and other faculty development programs to enhance their research knowledge. These achievements flaunt the knowledge, wisdom and enthusiasm of the students and the staff members to the fullest.

I must acknowledge that the College facilitates ample opportunities to its students and staff member for their overall personality development. I believe the achievements recorded in the report will be a motivating source for the coming batches of the students to select and excel in the activities of their interest for building a prosperous career.

I congratulate the Principal, faculty members and the students of the College for bringing this edition of e-report.

I extend my best wishes to the College for future endeavors.

# Message from the Principal

Welcome to Hindu Girls College, Sonapat.

The Hindu Charitable and Educational Society, Sonapat opened the doors of higher education to the people of the region way before independence. The founding fathers of the Society were the torch bearers in the upliftment of the region in all its dimensions but particularly in the field of education their contribution was extraordinary. They took up the much neglected cause of the times education for girls way back in 1950 by opening schools and colleges.

I have been lucky enough to have witnessed the birth and growth of the institution right from its inception in 1982.

Today 40 years later the institution continues to promote a holistic all round development of its students. Steering such a premier institution is challenging. Along with the rest of the world, the institution has borne the recent crisis of the pandemic and we, as an institution, are happy and thankful to have successfully survived it and once again resolved to find our place in the present global world. The pandemic has perforce made everyone realize the importance of Information Technology. With the objective to face the challenges of the changing times, the students have to be computer savvy. For that along with the running core subjects- UGC sponsored Bachelor of Vocational IT Course has been introduced in the current session 2022-2023. I am sure it will pave the way for many more contemporarily relevant courses. We at Hindu Girls College, Sonapat cherish our association with the patrons, parents and alumni and look forward to being associated with the coming batches.

Neeta Mittal  
Principal

# BIENNIAL REPORT

HINDU GIRLS COLLEGE, SONEPAT

**H**indu Girls College accredited with the esteemed 'A' grade by NAAC is a leading and distinguished multi faculty educational institute not only of Haryana but of the whole of northern India. College was a proud recipient of the coveted grant of Rs. 2 crores under RUSA scheme for infrastructure and building construction sanctioned by MHRD and state government in session 2019-20.

## MISSON OF COLLEGE

"Transforming lives of girls by educating, emancipating and empowering them"

## VISION OF COLLEGE

"Women empowerment and inculcating the right values"

To achieve this, we are going from strength to strength.

It is being run under the aegis of The Hindu Educational and Charitable Society, Sonapat.

The Society has been active since 1914 and today has 16 institutions under its umbrella.

Hindu Girls College was started as a girls wing of Hindu College, Sonapat in 1958 with the intention of extending education to girls of the region. It acquired a separate entity in 1982.

**T**he college enjoys a pride of place among the educational institutions of NCR and is one of the most sought after institutions for inculcating the right values while making the girls tech-savvy. Every year, around 2200 students take admission in the college out of which approximately 1000 students pass out as conscientious, determined, noble and disciplined citizens. The college provides a home away from home for those hailing from remote areas. It can boast of a safe, airy and spacious hostel providing comfortable accommodation to more than 225 girls in the current session. The session 2021-22 started on October 11, 2021 with Dr. Neeta Mittal as Officiating Principal. The college faculty comprises assiduous and experienced 111 members of which as many as 42 have done their Doctorates and 19 have done M.Phils. The faculty is supported by an industrious team of 41 technical and non-technical employees.

**The college imparts education in all the three disciplines:**

**Arts, Science and Commerce**

**I**n the domain of education, research work has become imperative for teachers as well as students which not only illuminates them but takes them out of the maze of stale ideas. The college has a Research Committee that regularly organizes webinars on different topics involving different subjects under Tattva Prakasika Lecture Series that helps to create new ideas and to ignite motivation among students. In the college, different departments organize research oriented programs to inculcate creative potential among faculty and students.

**UG:** BA, BCOM Pass, BCOM (Honors), BCOM Vocational, B.Sc Medical, B.Sc Non Medical, B.Sc. (Comp. Sc.), B.Sc. (Biotech.), BBA, BCA, B.Com. (Hons.) and B.Sc (Honors ) Mathematics

**PG:** Economics, Sanskrit, Mathematics, English, Geography, Commerce, Chemistry and Physics

**The Department of Mathematics organized an online Three Day National Conference on the topic 'Indian Scientific Heritage' sponsored by Haryana State Council for Science, Innovation and Technology from 26th February to 28th February 2022. The Conference provided a great opportunity both to the teachers and students to explore new ideas on the topic and to enthusiastically debate and analyze their views with the masters of the area. The department also organized a Poster Competition as a part of the prestigious Conference wherein many students all over the country exhibited their talent. A total of four prizes were awarded to acknowledge the talent and hard work of the winners.**

In order to avert the instances of gender harassment from getting flared up into bigger heinous crimes against women, the college has Internal Complaints Committee under the aegis of Anti-Sexual Harassment Cell and Women Cell to empower girls. Legal Literacy Cell and Counseling Cell are also constituted in the college to encourage students to understand and know their legal rights and duties and to guide them to solve their issues.

# Academic Session:

- The current academic session started with organization of Yajna in the auditorium on 11th October 2021 wherein mantras were recited to seek blessings of goddess Saraswati before the start of the new academic session.
- The Yajna was attended by all the staff members and a huge number of students.
- An orientation program was conducted wherein students were made familiar with the college staff and important college activities.
- Festivals like Teej, Holi, Diwali and important days like Independence Day, Republic Day, Women's Day, Voters' Day, International Yoga Day, National Sports Day, Hindi Diwas and National Science Day are celebrated.

**The college has various committees to discover and hone the skills of the students.**

Participated in an online International Symposium 'Chemical Wisdom by her', organized by the Department of Chemistry, Deshbandhu College, Delhi University on January 31, 2022.

**21. Dr. Anju Malik from the Dept. of Chemistry presented a poster entitled 'AtmaNirbhar Bharat: Technological Transformation and Preparedness in the Post COVID World' in an International Conference held at DCRUST, Murthal on March 22-23, 2021.**

Participated in an International Webinar on 'Approaches to Synthesis Elements 120 and to probe the predicted island of stability' at ICFAI University, Himachal Pradesh, India on November 25, 2021.

Presented a Poster in the 1st International Conference on 'Advanced Development in Chemistry & Allied Sciences 2021', organised by the Department of Chemistry, DCRUST Murthal, Sonipat Haryana held on December 16-17, 2021.

Presented a Poster in an International Conference on 'Frontiers in Physics, Material Science and Nanotechnology (FPMSN-2022)', organised by

**22. Mrs. Poonam Gupta from the Dept. of Mathematics presented a research paper titled 'Analysis of an M/M/1/N Retrial Queueing Model in Covid Pandemic' in an Online International Conf. on 'History and development of Mathematics', organized by Dept of Mathematics M.D.U, Rohtak on December 22, 2020.**

Presented a research paper titled 'Retrial Queueing System with Multiple Working Vacations, Reneging and Retention of Reneged Customers' in DGHE sponsored International Conference (online) on Scientific Developments in Current Era, organized by I.B. Post Graduate College, Panipat on April 9-10, 2021.

Presented a research paper titled 'A survey on retrial queueing models with vacations' in a virtual International Conference on 'Emerging Trends in Engineering, Science, Management & Commerce', organized by Madhyanchal Professional University, Bhopal on May 21-22, 2021.

**23. Dr. Manju Bala from the Dept. of Chemistry got a paper titled 'Synthesis and photoluminescence analysis of europium (III) complexes with pyrazole acid and nitrogen containing auxiliary ligands' published in Journal Spectroscopy Letters: Taylor & Francis, Vol. 53, No. 8, 625-647 in 2020.**

**Participated in an International Webinar on the topic 'Recent Advances in Science & Technology', organized by the Faculty of Science in collaboration with ISCA Rohtak Chapter held in Maharani Kishori Jat Mahavidyalaya Rohtak on February 18-19, 2021.**

Presented a paper (Oral presentation) on 'Synthesis and photoluminescence behavior of Eu(III) complex' in the 1st International Conference on 'Advanced Developments in Chemistry and Allied Sciences-2021 (ADCAS-21)', organized by Department of Chemistry, Deen bandhu Chhotu Ram University of Science and Technology, Murthal, Sonapat on December 16-17, 2021.

Got a paper titled 'Photoluminescence performance of green light emitting terbium (III) complexes with  $\beta$ -hydroxy ketone and nitrogen donor ancillary ligands' published in Luminescence: Wiley, Vol. 36, 742-754 in 2021.

**24. Dr. Nidhi from the Dept. of Physics presented a paper titled 'Synthesis and Characterization of zinc oxide doped mesoporous silica SBA-16 and study their antibacterial property' in an International E-Conference on the topic 'Current Trends in Multidisciplinary Research', organized by Indian Academicians and Researchers Association on Aug. 1, 2021.**

**Presented a research paper titled 'Enhanced humidity sensing performance of nano titania doped in ordered meso porous material' in an International Conference on 'Recent Trends in Basic and Applied Sciences', organised by BMU, Rohtak on Aug. 27-28, 2021.**

Got a research paper entitled 'Single pot hydrothermal derived Tio<sub>2</sub>/SBA-16 cubic mesoporous nano composite for humidity sensing' published in an International Journal of Material Science: Composite and Nano composite, Springer on Jan. 3, 2022.
